You will start from St. Germain sur Vienne and navigate during the first kilometres in a sanctuary of greenery until reaching the Loire confluence in Candès and Montsoreau where you will successively discover Saint Martin Priory and the castle of Diane de Poitiers. You will row along Troglodyte villages and cross the city of Saumur with its overlooking castle. Saumur and its surroundings boast many cultural, historical and architectural sites, if you wish to visit them: Fontevraud Abbey, Saumur Castle, the National Riding School, the old Saumur city...
